

CHRISTIANA DENTAL SPA PATIENT AGREEMENT FORM

By signing below, you acknowledge the following and will fully abide to continue services at our facility:

On lateness:

If a patient is more than 20 minutes late to their appointment, they can only receive a limited appointment which consists of x-rays and an exam by the doctor. A cleaning will not be performed as there will not be sufficient time for a thorough cleaning and we run the risk of running behind for the next patient.

On children:

Children under the age of 18 years old must have a parent/guardian over the age of 18 present for the entire duration of the appointment. If an adult cannot be present and you wish to have your child seen by a dental professional, a form must be signed before the appointment which indicates that Christiana Dental Spa is not responsible for your child in the event of an emergency.

On refusal of x-rays:

Pregnant patients are exempt from having x-rays. Others who refuse x-rays cannot continue treatment by your dental care provider. X-rays are a diagnostic tools to detect caries and decay only portrayed in radiographs and cannot be seen by the naked eye. Our practice is committed in providing accurate and exceptional care for your dental needs. We simply cannot give the best diagnosis to treat an affected area without the use of x-rays and we will discontinue dental treatment if there is a refusal of dental diagnostic radiographs.

Cancellations:

There is a standard \$50 cancellation fee if an appointment is cancelled less than 48 hours of your appointment time. A credit card must also be obtained before scheduling another time slot after the first cancellation. If another appointment is broken thereafter, a standard \$50 will be drafted from the credit card provided and will be applied to the balance on your account.
