

**Christiana Dental Spa**  
4133 Ogletown-Stanton Road  
Newark, DE 10713

We will continue to give you and your family the best care you deserve using only top quality materials! Please keep in mind your insurance is between you, your insurance company and your employer who chooses the plan.

I, \_\_\_\_\_, the patient, parent/guardian understands that if I will have dental procedure done at Christiana Dental Spa I am responsible for any fees that are not paid by my Insurance company. I also understand that **Christiana Dental Spa** will submit my claim to my insurance company with all needed x-rays and narratives to get my claim paid. However, any co-pay I pay is just an estimate amount and I will be responsible for anything my insurance does not cover.

The co-pay is due the day of service. In some instances, such as a crown, bridge, denture or implant a deposit is needed to schedule an appointment. The deposit amount depends on your insurance. The deposit will be applied toward your co-pay and again this is an estimated amount.

We enjoy having you and your family as patients and look forward to taking care of your dental needs! Thank you for choosing Christiana Dental Spa!

**WE ALWAYS APPRECIATE REFERRALS!**

Patient/guardian
